2.2. Compliance with Law. All Services rendered hereunder shall be provided in accordance with all ordinances, resolutions, statutes, rules, regulations, and laws of City and any Federal, State, or local governmental agency of competent jurisdiction. Contractor is aware of the requirements of California Labor Code Sections 1720, *et seq.*, and 1770, *et seq.*, as well as California Code of Regulations, Title 8, Sections 1600, *et seq.*, (collectively, the “Prevailing Wage Laws”), which require the payment of prevailing wage rates and the performance of other requirements on “Public Works” and “Maintenance” projects. Contractor will maintain and will require all subcontractors to maintain valid and current California Department of Industrial Relations (“DIR”) Public Works Contractor registration during the term of this Agreement. Contractor shall notify the City in writing immediately, and in no case more than twenty-four (24) hours, after receiving any information that Contractor’s or any of its subcontractor’s DIR registration status has been suspended, revoked, expired, or otherwise changed. It is understood that it is the responsibility of Contractor to determine the correct salary scale. Contractor shall make copies of the prevailing rates of per diem wages for each craft, classification, or type of worker needed to execute the Services available to interested parties upon request, and shall post copies at Contractor’s principal place of business and at the project site, if any. The statutory penalties for failure to pay prevailing wage or to comply with State wage and hour laws will be enforced. It is agreed by the parties that, in connection with performance of the Services, including, without limitation, any and all “Public works” (as defined by the Prevailing Wage Laws), Contractor shall bear all risks of payment or non-payment of prevailing wages under California law and/or the implementation of Labor Code Section 1781, as the same may be amended from time to time, and/or any other similar law. Contractor acknowledges and agrees that it shall be independently responsible for reviewing the

applicable laws and regulations and effectuating compliance with such laws. Contractor shall require the same of all subcontractors.

2.3. Licenses, Permits, Fees and Assessments. Except as otherwise specified herein, Contractor shall obtain at its sole cost and expense such licenses, permits, and approvals as may be required by law for the performance of the Services required by this Agreement, including a City of La Quinta business license. Contractor and its employees, agents, and subcontractors shall, at their sole cost and expense, keep in effect at all times during the term of this Agreement any licenses, permits, and approvals that are legally required for the performance of the Services required by this Agreement. Contractor shall have the sole obligation to pay for any fees, assessments, and taxes, plus applicable penalties and interest, which may be imposed by law and arise from or are necessary for the performance of the Services required by this Agreement, and shall indemnify, defend (with counsel selected by City), and hold City, its elected officials, officers, employees, and agents, free and harmless against any such fees, assessments, taxes, penalties, or interest levied, assessed, or imposed against City hereunder. Should Contractor discover any latent or unknown conditions materially differing from those inherent in the Services or as represented by City, Contractor shall immediately inform City of such fact and shall not proceed except at Contractor's risk until written instructions are received from the Contract Officer (as defined in Section 5.2 hereof).

2.5. Standard of Care. Contractor acknowledges and understands that the Services contracted for under this Agreement require specialized skills and abilities and that, consistent with this understanding, Contractor's work will be held to a heightened standard of quality and workmanship. Consistent with Section 2.4 hereinabove, Contractor represents to City that it holds the necessary skills and abilities to satisfy the heightened standard of work as set forth in this Agreement. Contractor shall adopt reasonable methods during the life of the Agreement to furnish continuous protection to the Services performed by Contractor, and the equipment, materials, papers, and other components thereof to prevent losses or damages, and shall be responsible for all such damages, to persons or property, until acceptance of the Services by City, except such losses or damages as may be caused by City's own negligence. The performance of Services by Contractor shall not relieve Contractor from any obligation to correct any incomplete, inaccurate, or defective work at no further cost to City, when such inaccuracies are due to the negligence of Contractor.

2.6. Additional Services. In accordance with the terms and conditions of this Agreement, Contractor shall perform work in addition to those specified in the Scope of Services only when directed to do so by the Contract Officer, provided that Contractor shall not be required to perform any additional work without compensation. No such extra work may be undertaken unless a written change order is first given by the Contract Officer to Contractor, incorporating therein any adjustment in (i) the Contract Sum, and/or (ii) the time to perform this Agreement, which said adjustments are subject to the written approval of Contractor. It is expressly understood by Contractor that the provisions of this Section shall not apply to the Services specifically set forth in the Scope of Services or reasonably contemplated therein. Any addition in compensation not exceeding five percent (5%) of the Contract Sum may be approved by the Contract Officer. Any greater increase must be approved by the City Council.

2.7. Special Requirements. Additional terms and conditions of this Agreement, if any, are set forth in Exhibit "E" (the "Special Requirements") which is incorporated herein by this reference and expressly made a part hereof. In the event of a conflict between the provisions of the Special Requirements and any other provisions of this Agreement, the provisions of the Special Requirements shall govern.

3.1. Contract Sum. For the Services rendered pursuant to this Agreement, Contractor shall be compensated in accordance with Exhibit "C" (the "Schedule of Compensation") in a total amount not to exceed                     dollars and                    cents (\$                    .) (the "Contract Sum"), except as provided in Section 2.6. The method of compensation set forth in the Schedule of Compensation may include a lump sum payment upon completion, payment in accordance with the percentage of completion of Services, payment for time and materials based upon Contractor's rate schedule, but not exceeding the Contract Sum, or such other reasonable methods as may be specified in the Schedule of Compensation. 5.8.3. That, in the event that a dispute arises between City and Contractor whether the conditions materially differ, or involve hazardous waste, or

cause a decrease or increase in Contractor's cost of, or time required for, performance of any part of the work, Contractor shall not be excused from any scheduled completion date provided for by this Agreement, but shall proceed with all work to be performed under this Agreement. Contractor shall retain any and all rights provided either by contract or by law which pertain to the resolution of disputes and protests between the contracting Parties.

Contractor hereby acknowledges that City is greatly concerned about the cost of the Services to be performed pursuant to this Agreement. For this reason, Contractor agrees that if Contractor becomes aware of any facts,

circumstances, techniques, or events that may or will materially increase or decrease the cost of the Services contemplated herein or, if Contractor is providing design services, the cost of the project being designed, Contractor shall promptly notify the Contract Officer of said fact, circumstance, technique, or event and the estimated increased or decreased cost related thereto and, if Contractor is providing design services, the estimated increased or decreased cost estimate for the project being designed.

8.2. Records. The Contract Officer shall have full and free access to such Books and Records at all times during normal business hours of City, including the right to inspect, copy, audit, and make records and transcripts from such Books and Records. Such Books and Records shall be maintained for a period of three (3) years following completion of the Services hereunder, and City shall have access to such Books and Records in the event any audit is required. Any use, reuse or assignment of such completed Documents and Materials for other projects and/or use of uncompleted documents without specific written authorization by Contractor will be at City’s sole risk and without liability to Contractor, and Contractor’s guarantee and warranties shall not extend to

such use, revise, or assignment. Contractor may retain copies of such Documents and Materials for its own use. Contractor shall have an unrestricted right to use the concepts embodied therein. All subcontractors shall provide for assignment to City of any Documents and Materials prepared by them, and in the event Contractor fails to secure such assignment, Contractor shall indemnify City for all damages resulting therefrom.

In the event City or any person, firm, or corporation authorized by City reuses said Documents and Materials without written verification or adaptation by Contractor for the specific purpose intended and causes to be made or makes any changes or alterations in said Documents and Materials, City hereby releases, discharges, and exonerates Contractor from liability resulting from said change. The provisions of this clause shall survive the termination or expiration of this Agreement and shall thereafter remain in full force and effect.

8.4. Licensing of Intellectual Property. This Agreement creates a non-exclusive and perpetual license for City to copy, use, modify, reuse, or sublicense any and all copyrights, designs, rights of reproduction, and other intellectual property embodied in the Documents and Materials. Contractor shall require all subcontractors to agree in writing that City is granted a non-exclusive and perpetual license for the Documents and Materials the subcontractor prepares under this Agreement. City shall grant such authorization if disclosure is required by law. All City data, documents, discussion, or other information shall be returned to City upon the termination or expiration of this Agreement. Contractor's covenant under this Section shall survive the termination or expiration of this Agreement.

## 9.0 ENFORCEMENT OF AGREEMENT.

9.1. California Law. This Agreement shall be interpreted, construed, and governed both as to validity and to performance of the Parties in accordance with the laws of the State of California. Legal actions concerning any dispute, claim, or matter arising out of or in relation to this Agreement shall be instituted in the Superior Court of the County of Riverside, State of California, or any other appropriate court in such county, and Contractor covenants and agrees to submit to the personal jurisdiction of such court in the event of such action.

9.2. Disputes. In the event of any dispute arising under this Agreement, the injured party shall notify the injuring party in writing of its contentions by submitting a claim therefore. The injured party shall continue performing its obligations hereunder so long as the injuring party commences to cure such default within ten (10) days of service of such notice and completes the cure of such default within forty-five (45) days after service of the notice, or such longer period as may be permitted by the Contract Officer; provided that if the default is an immediate danger to the health, safety, and general welfare, City may take such immediate action as City deems warranted. Compliance with the provisions of this Section shall be a condition precedent to termination of this Agreement for cause and to any legal action, and such compliance shall not be a waiver of any party's right to take legal action in the event that the dispute is not cured, provided that nothing herein shall limit City's right to terminate this Agreement without cause pursuant to Section 9.8. During the period of time that Contractor is in default, City shall hold all invoices and shall, when the default is cured, proceed with payment on the invoices. In the alternative, City may, in its sole discretion, elect to pay some or all of the outstanding invoices during any period of default.

9.3. Retention of Funds. Payments shall be made in accordance with the provisions of Article 3 of this Agreement. In accordance therewith, City may pay Contractor a sum based upon ninety-five percent (95%) of the Contract Sum apportionment of the labor and materials incorporated into the Services under this Agreement during the month covered by said invoice. The remaining five percent (5%) thereof may be retained as performance security to be paid to Contractor within sixty (60) days after final acceptance of the Services by the City Council of City, after Contractor has furnished City with a full release of all undisputed payments under this Agreement, if required by City. In the event there are any claims specifically excluded by Contractor from the operation of the release, City may retain proceeds (per Public Contract Code Section 7107) of up to one hundred fifty percent (150%) of the amount in dispute. City's failure to deduct or withhold shall not affect Contractor's obligations hereunder.

9.4. Waiver. No delay or omission in the exercise of any right or remedy of a non-defaulting party on any default shall impair such right or remedy or be construed as a waiver. City's consent or approval of any act by Contractor requiring City's

consent or approval shall not be deemed to waive or render unnecessary City's consent to or approval of any subsequent act of Contractor. Any waiver by either party of any default must be in writing and shall not be a waiver of any other default concerning the same or any other provision of this Agreement.

9.5. Rights and Remedies are Cumulative. Except with respect to rights and remedies expressly declared to be exclusive in this Agreement, the rights and remedies of the parties are cumulative and the exercise by either party of one or more of such rights or remedies shall not preclude the exercise by it, at the same or different times, of any other rights or remedies for the same default or any other default by the other party.

9.6. Legal Action. In addition to any other rights or remedies, either party may take legal action, at law or at equity, to cure, correct, or remedy any default, to recover damages for any default, to compel specific performance of this Agreement, to obtain declaratory or injunctive relief, or to obtain any other remedy consistent with the purposes of this Agreement.

9.7. Material Delay Fees for Failure to Complete Installation of Fence, or Failure to Maintain or Repair Fence. It is agreed and understood by Contractor that, for the duration of the Term, time is of the essence in the full performance of this Agreement, including but not limited to performance of the installation of, and any and all maintenance and repair work for, the Temporary Fence. Since any delay in performance of this Agreement is material to the purpose of the Temporary Fence as set forth in the Scope of Work, Contractor (and its sureties if not paid by Contractor) shall be subject to and shall pay to City the sum of FIVE THOUSAND DOLLARS (\$5,000.00) for each day of delay (the "Installation Delay Fee") in failing to timely complete the installation of the Temporary Fence. Furthermore, Contractor (and its sureties if not paid by Contractor) shall be subject to and shall pay to the City the sum of SIX HUNDRED TWENTY FIVE DOLLARS (\$625.00) for each day of delay (the "Maintain/Repair Delay Fee") in the failing to timely maintain or repair the Temporary Fence, as set forth in the Services required by this Agreement and the Schedule of Performance. (The Installation Delay Fee and Maintain/Repair Delay Fee are collectively referred to as a "Material Delay Fee(s)"). In explanation and not limitation of the fee provisions in this Section, if repair work is not completed within 24-hours' notice as required under the Scope of Services, Contractor shall be subject to and shall pay to City the Material Delay Fee for each day the repair work is not timely completed. In addition, the Material Delay Fee shall be charged against Contractor for failure to comply with the Emergency Call Out requirements described in the Scope of Services. City may withhold from Contractor an amount payable to Contractor under this Agreement that is equal to the amount of the Material Delay Fee(s) charged against Contractor pursuant to this Section. City's right to charge and receive payment of the Material Delay Fee is in addition to any and all other rights and remedies available to City under this Agreement or at law and in equity resulting from a material delay in performance by Contractor. Any damages sustained by City for

Contractor's failure to pay the Material Delay Fee, and any excess costs sustained by City for work performed by any third party or City as a result of Contractor's failure to timely perform the installation or maintenance and repair Services, shall be liabilities of Contractor and Contractor's sureties.

9.8. Termination And Expiration of Term. This Section shall govern any termination of this Agreement, except as specifically provided in the following Section 9.9 for termination for cause. City reserves the right to terminate this Agreement at any time, with or without cause, upon thirty (30) days' written notice to Contractor. Upon receipt of any notice of termination, Contractor shall immediately cease all Services hereunder except such as may be specifically approved by the Contract Officer. Contractor shall be entitled to compensation for all Services rendered prior to receipt of the notice of termination and for any Services authorized by the Contract Officer thereafter in accordance with the Schedule of Compensation or such as may be approved by the Contract Officer, except as provided in Section 9.3.

9.9. Termination for Default of Contractor. If termination is due to the failure of Contractor to fulfill its obligations under this Agreement, Contractor shall vacate any City-owned property which Contractor is permitted to occupy hereunder and City may, after compliance with the provisions of Section 9.2, take over the Services and prosecute the same to completion by contract or otherwise, and Contractor shall be liable to the extent that the total cost for completion of the Services required hereunder exceeds the compensation herein stipulated (provided that City shall use reasonable efforts to mitigate such damages), and City may withhold any payments to Contractor for the purpose of setoff or partial payment of the amounts owed City as previously stated in Section 9.3.

9.10. Attorneys' Fees. If either Party to this Agreement is required to initiate or defend or made a Party to any action or proceeding in any way connected with this Agreement, the prevailing Party in such action or proceeding, in addition to any other relief which may be granted, whether legal or equitable, shall be entitled to reasonable attorneys' fees; provided, however, that the attorneys' fees awarded pursuant to this Section shall not exceed the hourly rate paid by City for legal services multiplied by the reasonable number of hours spent by the prevailing Party in the conduct of the litigation. Attorneys' fees shall include attorneys' fees on any appeal, and in addition a Party entitled to attorneys' fees shall be entitled to all other reasonable costs for investigating such action, taking depositions and discovery, and all other necessary costs the court allows which are incurred in such litigation. All such fees shall be deemed to have accrued on commencement of such action and shall be enforceable whether or not such action is prosecuted to judgment. The court may set such fees in the same action or in a separate action brought for that purpose.

#### 10.0 CITY OFFICERS AND EMPLOYEES; NONDISCRIMINATION.

10.1. Non-liability of City Officers and Employees. No officer, official, employee, agent, representative, or volunteer of City shall be personally liable to

Contractor, or any successor in interest, in the event of any default or breach by City or for any amount which may become due to Contractor or to its successor, or for breach of any obligation of the terms of this Agreement.

10.2. Conflict of Interest. Contractor covenants that neither it, nor any officer or principal of it, has or shall acquire any interest, directly or indirectly, which would conflict in any manner with the interests of City or which would in any way hinder Contractor's performance of the Services under this Agreement. Contractor further covenants that in the performance of this Agreement, no person having any such interest shall be employed by it as an officer, employee, agent, or subcontractor without the express written consent of the Contract Officer. Contractor agrees to at all times avoid conflicts of interest or the appearance of any conflicts of interest with the interests of City in the performance of this Agreement.

No officer or employee of City shall have any financial interest, direct or indirect, in this Agreement nor shall any such officer or employee participate in any decision relating to this Agreement which effects his financial interest or the financial interest of any corporation, partnership or association in which he is, directly or indirectly, interested, in violation of any State statute or regulation. Contractor warrants that it has not paid or given and will not pay or give any third party any money or other consideration for obtaining this Agreement.

10.3. Covenant Against Discrimination. Contractor covenants that, by and for itself, its heirs, executors, assigns, and all persons claiming under or through them, that there shall be no discrimination against or segregation of, any person or group of persons on account of any impermissible classification including, but not limited to, race, color, creed, religion, sex, marital status, sexual orientation, national origin, or ancestry in the performance of this Agreement. Contractor shall take affirmative action to ensure that applicants are employed and that employees are treated during employment without regard to their race, color, creed, religion, sex, marital status, sexual orientation, national origin, or ancestry.

## Exhibit F

### Insurance Requirements

F.1 Insurance. Prior to the beginning of and throughout the duration of this Agreement, the following policies shall be maintained and kept in full force and effect providing insurance with minimum limits as indicated below and issued by insurers with A.M. Best ratings of no less than A-VI:

Commercial General Liability (at least as broad as ISO CG 0001)  
\$1,000,000 (per occurrence)  
\$2,000,000 (general aggregate)

Commercial Auto Liability (at least as broad as ISO CA 0001)  
\$1,000,000 (per accident)

Workers' Compensation  
(per statutory requirements)

Consultant shall procure and maintain, at its cost, and submit concurrently with its execution of this Agreement, Commercial General Liability insurance against all claims for injuries against persons or damages to property resulting from Consultant's acts or omissions rising out of or related to Consultant's performance under this Agreement. The insurance policy shall contain a severability of interest clause providing that the coverage shall be primary for losses arising out of Consultant's performance hereunder and neither City nor its insurers shall be required to contribute to any such loss. A certificate evidencing the foregoing and naming City and its officers and employees as additional insured (on the Commercial General Liability policy only) shall be delivered to and approved by City prior to commencement of the services hereunder.

Consultant shall carry automobile liability insurance of \$1,000,000 per accident against all claims for injuries against persons or damages to property arising out of the use of any automobile by Consultant, its officers, any person directly or indirectly employed by Consultant, any subcontractor or agent, or anyone for whose acts any of them may be liable, arising directly or indirectly out of or related to Consultant's performance under this Agreement. If Consultant or Consultant's employees will use personal autos in any way on this project, Consultant shall provide evidence of personal auto liability coverage for each such person. The term "automobile" includes, but is not limited to, a land motor vehicle, trailer or semi-trailer designed for travel on public roads. The automobile insurance policy shall contain a severability of interest clause providing that coverage shall be primary for losses arising out of Consultant's performance hereunder and neither City nor its insurers shall be required to contribute to such loss.

Professional Liability or Errors and Omissions Insurance as appropriate shall be written on a policy form coverage specifically designed to protect against acts, errors or omissions of the consultant and "Covered Professional Services" as designated in the policy must specifically include work performed under this agreement. The policy limit shall be no less than \$1,000,000 per claim and in the aggregate. The policy must "pay on behalf of" the insured and must include a provision establishing the insurer's duty to defend. The policy retroactive date shall be on or before the effective date of this agreement.

Consultant shall carry Workers' Compensation Insurance in accordance with State Worker's Compensation laws with employer's liability limits no less than \$1,000,000 per accident or disease.

Consultant shall carry Technology Errors and Omissions Liability Insurance with limits of \$1,000,000 per occurrence/loss. If coverage is maintained on a claims-made basis, Consultant shall maintain such coverage for an additional period of three (3) years following termination of this Agreement. The policy shall at a minimum cover professional misconduct or lack of the requisite skill required for the performance of services defined in this Agreement and shall also provide coverage for the following risks:

i) Liability arising from theft, dissemination, and/or use of confidential information, including but not limited to, bank and credit card account information or personal information, such as name, address, social security numbers, stored or transmitted in electronic form;

ii) Network security liability arising from the unauthorized access to, use of, or tampering with computers or computer systems, including hacker attacks; and

iii) Liability arising from the introduction of a computer virus into, or otherwise causing damage to the City's or third person's computer, computer system, network, or similar computer related property and the data, software, and programs thereon.

Consultant shall provide written notice to City within ten (10) working days if: (1) any of the required insurance policies is terminated; (2) the limits of any of the required policies are reduced; or (3) the deductible or self-insured retention is increased. In the event any of said policies of insurance are cancelled, Consultant shall, prior to the cancellation date, submit new evidence of insurance in conformance with this Exhibit to the Contract Officer. The procuring of such insurance or the delivery of policies or certificates evidencing the same shall not be construed as a limitation of Consultant's obligation to indemnify City, its officers, employees, contractors, subcontractors, or agents.

F.2 Remedies. In addition to any other remedies City may have if Consultant fails to provide or maintain any insurance policies or policy endorsements to the extent and within the time herein required, City may, at its sole option:

- a. Obtain such insurance and deduct and retain the amount of the premiums for such insurance from any sums due under this Agreement.
- b. Order Consultant to stop work under this Agreement and/or withhold any payment(s) which become due to Consultant hereunder until Consultant demonstrates compliance with the requirements hereof.
- c. Terminate this Agreement.

Exercise of any of the above remedies, however, is an alternative to any other remedies City may have. The above remedies are not the exclusive remedies for Consultant's failure to maintain or secure appropriate policies or endorsements. Nothing herein contained shall be construed as limiting in any way the extent to which Consultant may be held responsible for payments of damages to persons or property resulting from Consultant's or its subcontractors' performance of work under this Agreement.

F.3 General Conditions Pertaining to Provisions of Insurance Coverage by Consultant. Consultant and City agree to the following with respect to insurance provided by Consultant:

1. Consultant agrees to have its insurer endorse the third party general liability coverage required herein to include as additional insureds City, its officials, employees, and agents, using standard ISO endorsement No. CG 2010 with an edition prior to 1992. Consultant also agrees to require all contractors, and subcontractors to do likewise.

2. No liability insurance coverage provided to comply with this Agreement shall prohibit Consultant, or Consultant's employees, or agents, from waiving the right of subrogation prior to a loss. Consultant agrees to waive subrogation rights against City regardless of the applicability of any insurance proceeds, and to require all contractors and subcontractors to do likewise.

3. All insurance coverage and limits provided by Consultant and available or applicable to this Agreement are intended to apply to the full extent of the policies. Nothing contained in this Agreement or any other agreement relating to City or its operations limits the application of such insurance coverage.

4. None of the coverages required herein will be in compliance with these requirements if they include any limiting endorsement of any kind that has not been first submitted to City and approved of in writing.

5. No liability policy shall contain any provision or definition that would serve to eliminate so-called “third party action over” claims, including any exclusion for bodily injury to an employee of the insured or of any contractor or subcontractor.

6. All coverage types and limits required are subject to approval, modification and additional requirements by the City, as the need arises. Consultant shall not make any reductions in scope of coverage (e.g. elimination of contractual liability or reduction of discovery period) that may affect City’s protection without City’s prior written consent.

7. Proof of compliance with these insurance requirements, consisting of certificates of insurance evidencing all of the coverages required and an additional insured endorsement to Consultant’s general liability policy, shall be delivered to City at or prior to the execution of this Agreement. In the event such proof of any insurance is not delivered as required, or in the event such insurance is canceled at any time and no replacement coverage is provided, City has the right, but not the duty, to obtain any insurance it deems necessary to protect its interests under this or any other agreement and to pay the premium. Any premium so paid by City shall be charged to and promptly paid by Consultant or deducted from sums due Consultant, at City option.

8. It is acknowledged by the parties of this Agreement that all insurance coverage required to be provided by Consultant or any subcontractor, is intended to apply first and on a primary, non-contributing basis in relation to any other insurance or self-insurance available to City.

9. Consultant agrees to ensure that subcontractors, and any other party involved with the project that is brought onto or involved in the project by Consultant, provide the same minimum insurance coverage required of Consultant. Consultant agrees to monitor and review all such coverage and assumes all responsibility for ensuring that such coverage is provided in conformity with the requirements of this section. Consultant agrees that upon request, all agreements with subcontractors and others engaged in the project will be submitted to City for review.

10. Consultant agrees not to self-insure or to use any self-insured retentions or deductibles on any portion of the insurance required herein (with the exception of professional liability coverage, if required) and further agrees that it will not allow any contractor, subcontractor, Architect, Engineer or other entity or person in any way involved in the performance of work on the project contemplated by this agreement to self-insure its obligations to City. If Consultant’s existing coverage includes a deductible or self-insured retention, the deductible or self-insured retention must be declared to the City. At that time the City shall review options with the Consultant, which may include reduction or elimination of the deductible or self-insured retention, substitution of other coverage, or other solutions.

11. The City reserves the right at any time during the term of this Agreement to change the amounts and types of insurance required by giving the Consultant ninety (90) days advance written notice of such change. If such change results in substantial additional cost to the Consultant, the City will negotiate additional compensation proportional to the increased benefit to City.

12. For purposes of applying insurance coverage only, this Agreement will be deemed to have been executed immediately upon any party hereto taking any steps that can be deemed to be in furtherance of or towards performance of this Agreement.

13. Consultant acknowledges and agrees that any actual or alleged failure on the part of City to inform Consultant of non-compliance with any insurance requirement in no way imposes any additional obligations on City nor does it waive any rights hereunder in this or any other regard.

14. Consultant will renew the required coverage annually as long as City, or its employees or agents face an exposure from operations of any type pursuant to this agreement. This obligation applies whether or not the agreement is canceled or terminated for any reason. Termination of this obligation is not effective until City executes a written statement to that effect.

15. Consultant shall provide proof that policies of insurance required herein expiring during the term of this Agreement have been renewed or replaced with other policies providing at least the same coverage. Proof that such coverage has been ordered shall be submitted prior to expiration. A coverage binder or letter from Consultant's insurance agent to this effect is acceptable. A certificate of insurance and/or additional insured endorsement as required in these specifications applicable to the renewing or new coverage must be provided to City within five (5) days of the expiration of coverages.

16. The provisions of any workers' compensation or similar act will not limit the obligations of Consultant under this agreement. Consultant expressly agrees not to use any statutory immunity defenses under such laws with respect to City, its employees, officials, and agents.

17. Requirements of specific coverage features or limits contained in this section are not intended as limitations on coverage, limits or other requirements nor as a waiver of any coverage normally provided by any given policy. Specific reference to a given coverage feature is for purposes of clarification only as it pertains to a given issue, and is not intended by any party or insured to be limiting or all-inclusive.

18. These insurance requirements are intended to be separate and distinct from any other provision in this Agreement and are intended by the parties here to be interpreted as such.

19. The requirements in this Exhibit supersede all other sections and provisions of this Agreement to the extent that any other section or provision conflicts with or impairs the provisions of this Exhibit.

20. Consultant agrees to be responsible for ensuring that no contract used by any party involved in any way with the project reserves the right to charge City or Consultant for the cost of additional insurance coverage required by this agreement. Any such provisions are to be deleted with reference to City. It is not the intent of City to reimburse any third party for the cost of complying with these requirements. There shall be no recourse against City for payment of premiums or other amounts with respect thereto.

21. Consultant agrees to provide immediate notice to City of any claim or loss against Consultant arising out of the work performed under this agreement. City assumes no obligation or liability by such notice, but has the right (but not the duty) to monitor the handling of any such claim or claims if they are likely to involve City.

## Exhibit G

### Indemnification

#### G.1 General Indemnification Provision.

a. Indemnification for Professional Liability. When the law establishes a professional standard of care for Consultant's Services, to the fullest extent permitted by law, Consultant shall indemnify, protect, defend (with counsel selected by City), and hold harmless City and any and all of its officials, employees, and agents ("Indemnified Parties") from and against any and all claims, losses, liabilities of every kind, nature, and description, damages, injury (including, without limitation, injury to or death of an employee of Consultant or of any subcontractor), costs and expenses of any kind, whether actual, alleged or threatened, including, without limitation, incidental and consequential damages, court costs, attorneys' fees, litigation expenses, and fees of expert consultants or expert witnesses incurred in connection therewith and costs of investigation, to the extent same are cause in whole or in part by any negligent or wrongful act, error or omission of Consultant, its officers, agents, employees or subcontractors (or any entity or individual that Consultant shall bear the legal liability thereof) in the performance of professional services under this agreement. With respect to the design of public improvements, the Consultant shall not be liable for any injuries or property damage resulting from the reuse of the design at a location other than that specified in Exhibit A without the written consent of the Consultant.

b. Indemnification for Other Than Professional Liability. Other than in the performance of professional services and to the full extent permitted by law, Consultant shall indemnify, defend (with counsel selected by City), and hold harmless the Indemnified Parties from and against any liability (including liability for claims, suits, actions, arbitration proceedings, administrative proceedings, regulatory proceedings, losses, expenses or costs of any kind, whether actual, alleged or threatened, including, without limitation, incidental and consequential damages, court costs, attorneys' fees, litigation expenses, and fees of expert consultants or expert witnesses) incurred in connection therewith and costs of investigation, where the same arise out of, are a consequence of, or are in any way attributable to, in whole or in part, the performance of this Agreement by Consultant or by any individual or entity for which Consultant is legally liable, including but not limited to officers, agents, employees, or subcontractors of Consultant.

G.2 Standard Indemnification Provisions. Consultant agrees to obtain executed indemnity agreements with provisions identical to those set forth herein this section from each and every subcontractor or any other person or entity involved by, for, with or on behalf of Consultant in the performance of this Agreement. In the event Consultant fails to obtain such indemnity obligations from others as required herein, Consultant agrees to be fully responsible according to the terms of this Exhibit. Failure

### EXHIBIT G

of City to monitor compliance with these requirements imposes no additional obligations on City and will in no way act as a waiver of any rights hereunder. This obligation to indemnify and defend City as set forth herein is binding on the successors, assigns or heirs of Consultant and shall survive the termination of this Agreement or this section.

a. Indemnity Provisions for Contracts Related to Construction. Without affecting the rights of City under any provision of this agreement, Consultant shall not be required to indemnify and hold harmless City for liability attributable to the active negligence of City, provided such active negligence is determined by agreement between the parties or by the findings of a court of competent jurisdiction. In instances where City is shown to have been actively negligent and where City's active negligence accounts for only a percentage of the liability involved, the obligation of Consultant will be for that entire portion or percentage of liability not attributable to the active negligence of City.

b. Indemnification Provision for Design Professionals.

1. Applicability of Section G.2(b). Notwithstanding Section G.2(a) hereinabove, the following indemnification provision shall apply to Consultants who constitute "design professionals" as the term is defined in paragraph 3 below.

2. Scope of Indemnification. To the fullest extent permitted by law, Consultant shall indemnify, defend (with counsel selected by City), and hold harmless the Indemnified Parties from and against any and all claims, losses, liabilities of every kind, nature and description, damages, injury (including, without limitation, injury to or death of an employee of Consultant or of any subcontractor), costs and expenses of any kind, whether actual, alleged or threatened, including, without limitation, incidental and consequential damages, court costs, attorneys' fees, litigation expenses, and fees of expert consultants or expert witnesses incurred in connection therewith and costs of investigation, that arise out of, pertain to, or relate to, directly or indirectly, in whole or in part, the negligence, recklessness, or willful misconduct of Consultant, any subcontractor, anyone directly or indirectly employed by them or anyone that they control.

3. Design Professional Defined.
