

City of La Quinta

TO: Honorable Mayor and Members of the City Council

FROM: Timothy R. Jonasson, P.E., Public Works Director/City Engineer

DATE: December 2, 2014

SUBJECT: UPDATE ON SEPTEMBER 8, 2014 STORM CLEANUP EFFORTS

On September 16, 2014, the City Council appropriated \$350,000 for the "Flood of 2014 Recovery Account." This money was earmarked for the cleanup and repairs of streets and storm drains that were necessary after the September 8, 2014 storm. Additionally, staff estimated approximately \$100,000 would be necessary to repair the Highway 111 Bridge just west of The Cliffhouse.

The City's expenditures to date total \$350,723.85 as shown below:

Cleanup/Street Sweeping	\$63,786.28
Traffic Control	\$9,663.75
Sinkholes	\$137,882.79
Storm Drains	\$21,095.73
Retention Basins	\$35,840.28
Highway 111 Bridge	\$57,053.22
Equipment Rental	\$3,053.92
City Crews Overtime	\$22,347.88
TOTAL:	\$350,723.85

With the completion of the Highway 111 Bridge repair, staff believes the storm cleanup and repair work is complete. Staff has identified two other storm-related projects, the Washington Street Bridge (north of Channel Drive) and the outside northbound lane on Eisenhower Drive between Avenida Fernando and Coachella Drive, which will be addressed in the upcoming Capital Improvement Program.
