Community Services Updates April 2015

The interactive water feature at La Quinta Park has been fully serviced and was open to the public on Saturday April 25. Skate stoppers have been installed around the perimeter wall to prevent skateboarders from damaging the water feature. Additionally, two signs were installed to inform guests not to use water balloons. Water balloons damage the pumps and may result in the closure of the water feature for repairs. Due to the new State-mandated water restrictions, the hours of operation are being reduced to noon to 7:00 p.m. daily. They may be reduced even further pending the Ordinance adopted by CVWD.

New trail maps have been installed at both entrances to the Cove Oasis. The new map design provides information about the trail distances and elevations. There are also QR codes for smartphone users to download an interactive hiking app and the City's GoRequest app to report maintenance needs throughout the City.
