### EXECUTIVE SUMMARY

- The Housing Successor Annual Report (Report) is part of a State requirement for Housing Successors to Redevelopment Agencies.
- The Report provides a comprehensive representation of the City's housing assets and activities.
- The Report will be posted on the City's website and filed with the City Clerk.

**FISCAL IMPACT** – None.

### BACKGROUND/ANALYSIS

The Report must provide the Housing Successor's Low and Moderate Income Housing Asset Fund (LMIHAF) balance, deposits, expenditures, transfers, current projects, acquisitions, obligations, income test, senior housing test, and excess surplus test.

The Report for 2015/16 presents the following findings:

- \$6,015,322 was deposited into the LMIHAF during the fiscal year. These deposits originated from rental revenues generated from the Housing Successor's-owned affordable housing properties and a \$5,000,000 loan repayment from Coral Mountain. No money was designated for items listed on the Recognized Obligations Payment Schedule (ROPS).
- \$727,431 was expended from LMIHAF for maintenance, monitoring and administration expenses.
- \$67,061,169 in assets owned by the Housing Successor was reported, assets consist of notes and loans, land, building and improvements.

- Senior Housing Test reflects that 40.2 percent of 896 total Housing Successor Assisted rental units are restricted to seniors. If funding becomes available, the Housing Successor can expend funds to develop or secure an additional 88 senior units.
- The Housing Successor reports no computed excess surplus; therefore, no plan exists for eliminating the excess surplus.

## **INTRODUCTION**

This Housing Successor Annual Report (“Report”) addresses the requirements of California Health and Safety Code Section 34176.1(f) regarding the Low and Moderate Income Housing Asset Fund (“LMIHAF”). This Report outlines the financial and housing covenant details of the La Quinta Housing Authority (“Housing Successor”) for 2015-16 (the “Fiscal Year”). The purpose of this Report is to provide the governing body of the Housing Successor an annual report on the housing assets and activities of the Housing Successor under Part 1.85, Division 24 of the California Health and Safety Code, in particular sections 34176 and 34176.1 (“Dissolution Law”).

apartments. Rents are subsidized pursuant to the US Department of Agriculture Rural Development program.

The Redevelopment Agency acquired WSA and a vacant adjacent parcel in 2007 with the intention of substantially rehabilitating the existing units and developing an additional 68 units. The sources of development financing were proposed to be a combination of 2004 and 2011 bond proceeds. Pursuant to ROPS 13-14B, the project shall be developed with \$20,017,753 in bond proceeds. Presently, the rehabilitation of the existing units and development of additional units is unable to proceed until alternate financing sources become available to replace funding that was lost as a result of a determination by the Department of Finance to not allow 2011 bond proceeds. City Staff has been working with an Affordable Housing Developer to secure 9% tax credit financing to replace the use of 2011 bond proceeds. A combination of housing funds, bond proceeds, and tax credit financing will be used to pay for design, architectural, engineering, and project management services in addition to vertical construction and rehabilitation of WSA.

The former Redevelopment Agency acquired WSA pursuant to California Redevelopment Law Health and Safety Code Section 33334.1. Health and Safety Code Section 33334.16 required former redevelopment agencies to initiate activities, such as zone changes or disposition and development agreements within five years of acquiring a property. Pursuant to Health and Safety Code Section 33334.16, the legislative body is authorized to extend the deadline to initiate activities by an additional five years upon affirming the intention to develop housing affordable to households of low and moderate income. In 2011, the Housing Authority extended development of WSA by adopting Resolution 2011-070.

### **STATUS OF COMPLIANCE WITH SECTION 33334.16**

This section provides a status update on compliance with Section 33334.16 for interests in real property acquired by the former redevelopment agency prior to February 1, 2012. For interests in real property acquired on or after February 1, 2012, provide a status update on the project.

Section 34176.1 provides that Section 33334.16 does not apply to interests in real property acquired by the Housing Successor on or after February 1, 2012; however, this Report presents a status update on the project related to such real property.

With respect to interests in real property acquired by the former redevelopment agency prior to February 1, 2012, the time period described in Section 33334.16 shall be deemed to have commenced on the date that the Department of Finance approved the property as a housing asset in the LMIHAF; thus, as to real property acquired by the former redevelopment agency now held by the Housing Successor in the LMIHAF, the Housing Successor must initiate activities consistent with the development of the real property for the purpose for which it was acquired within five years of the date of the DOF approved such property as a housing asset.

The following provides a status update on the real property or properties housing asset(s) that were acquired prior to February 1, 2012 and compliance with five-year period:

Health and Safety Code Section 33334.16 required former redevelopment agencies to initiate activities, such as zone changes or disposition and development agreements within five years of acquiring a property. Pursuant to Health and Safety Code Section 33334.16, the legislative body is authorized to extend the deadline to initiate activities by an additional five years upon affirming the intention to develop housing affordable to households of low and moderate income. In 2011, the Housing Authority extended development of the abovementioned properties by adopting Resolution 2011-070.

The following provides a status update on the project(s) for property or properties that have been acquired by the Housing Successor using LMIHAF on or after February 1, 2012. The Housing Successor did not acquire property on or after February 1, 2012.

DESCRIPTION OF OUTSTANDING OBLIGATIONS UNDER SECTION 33413. This section describes the outstanding inclusionary housing obligations, if any, under Section 33413 that remained outstanding prior to dissolution of the former redevelopment agency as of February 1, 2012 along with the Housing Successor’s progress in meeting those prior obligations, if any, of the former redevelopment agency and how the Housing Successor plans to meet unmet obligations, if any. The housing successor does not have any obligations to fulfill under Section 33413.

**INCOME TEST**

**Housing Successor Annual Report**

December 30, 2016

This section provides the information required by Section 34176.1(a)(3)(B), or a description of expenditures by income restriction for a five year period, with the time period beginning on January 1, 2014 and whether the statutory thresholds have been met. Reporting of the Income Test is not required until 2019.

The Housing Successor has not historically tracked expenditures on extremely low income households. At this time, the Housing Successor does not possess sufficient information to provide details of expenditures on extremely low income households over the last five years. Expenditures in the previous Fiscal Year can be distributed based on known household incomes (refer to Table 1 for the distribution of expenditures by household income level for the Fiscal Year). Going forward, however, the Housing Successor will be tracking expenditures by income level such that the Housing Authority can report on expenditures by household income over a five year period.

**SENIOR HOUSING TEST**

This section provides the percentage of units of deed-restricted rental housing restricted to seniors and assisted individually or jointly by the Housing Successor, its former Redevelopment Agency, and its host jurisdiction within the previous 10 years in relation to the aggregate number of units of deed-restricted rental housing assisted individually or jointly by the Housing Successor, its former Redevelopment Agency and its host jurisdiction within the same time period. For this Report the ten-year period reviewed is 2006 to 2016.

TABLE 5: SENIOR HOUSING TEST

<b>Unit Category</b>	<b># of Units</b>
Assisted Senior Rental Units	360
Total Assisted Rental Units	896
<b>Senior Housing Test (%)</b>	<b>40.2%</b>

**EXCESS SURPLUS TEST**

The Housing Successor does not presently retain a computed excess surplus pursuant to Health and Safety Code Section 34176.1. For the purpose of this section of the Report, pursuant to Section 34176.1(d), “‘excess surplus’ shall mean an unencumbered amount in the account that exceeds the greater of one million dollars (\$1,000,000) or the aggregate amount deposited into the account during the housing successor’s preceding four fiscal years, whichever is greater.” If the Unencumbered Amount (See Table 6) does not exceed the greater of the aggregate amount deposited into the LMIHAF during the preceding four fiscal years or \$1,000,000, whichever is greater, there is no excess surplus. The Housing Successor computed excess surplus is noted below in table 6.
