Lori,

Sorry, I would like to as one question...

Why didn't the city allow any Ad hoc meetings when we needed them most.... March 1st – May 30th?
Why couldn't we short term home owners and short term rental managers provide some feedback and have a discussion instead of the city completely cutting all of us out of all discussions?

Many of us would have loved to have a discussion and be heard. Most of us want to be good partners and you cut us out. It is super disrespectful WHY would you do this?

I think we deserve an answer or at least a response.

Thank you.

Sincerely,

David Dinnel
