

# HOW TO USE YOUR NEW KITCHEN PAIL IN 4 EASY STEPS!

1

**Set** your pail in a convenient location in the kitchen

2

**Line** your kitchen pail with a paper or plastic liner

3

**Place** all food scraps and other household organics into your pail

4

**Toss** your bagged contents into your green organics bin

**DO NOT PLACE YOUR PAIL ON THE CURB**

**BAG IT & BIN IT!**

Collect food scraps in your lined pail, then transport the bag to your organic bin.

## PAIL TIPS

Place your kitchen pail bag into the green organics bin frequently

Reuse store vegetable or grocery bags to line your pail, or purchase new

Try freezing your food waste bag and carrying to your bin later

Sprinkle baking soda and essential oils below bag to eliminate odors
