Registering for an Account

A prerequisite to making a submission requires registering your contact information (i.e. information for the Business, Employee, or Citizen/Customer/Person), whomever has authority to make the submission. This can be done on any device, phone, computer, tablet, etc., using most available browsers that have access to the Internet.

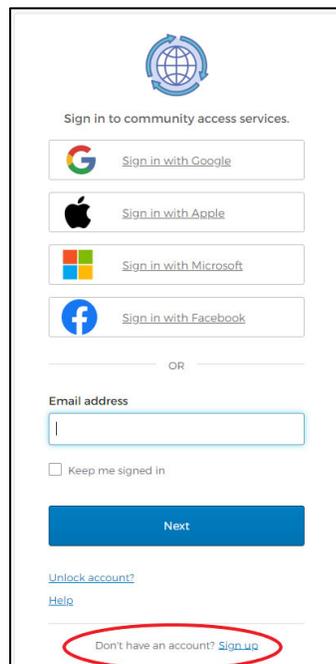

You may use any web browser (Google Chrome, Apple Safari, Microsoft Edge, Firefox, etc.) or mobile device to register, access, or make an application on The HUB Online Portal website. This is not an App, so no download is necessary.
