CITY COUNCIL MEETING - APRIL 2, 2024 HAND-OUT BY RESIDENTS JESSICA AND JOE KLEIN  
MATTERS NOT ON THE AGENDA - COMMENTS REGARDING COACHELLA VALLEY ANIMAL CAMPUS SHELTER

Questions for Steven Hernandez ???? And La Quinta City Council

1. Who kills the animals at CVAC and the other shelters. The law in Calif states that whoever kills the animal must do it WITH a Vet on site or offsite, but a Vet has to be involved . Otherwise without the Vet on sight or offsite, the person is practicing medicine without a license.
2. Are they sedated PRIOR TO ATTEMPT TO FIND A VEIN TO KILL ? (It's public knowledge that they aren't !)
3. Where do the bodies of the dead animals go and what do they do with them?
4. Why didn't CVAC have a working x-ray machine for 9 mos, and no working scanner ?
5. Why aren't the dogs who need medical attention getting it ? Oliver had none !
6. What qualifications did Erin Gettes have that made her eligible for her position ? How many applicants were there/INTERVIEWED ?

I would appreciate hearing back from you ON OR BEFORE the beginning of next week,

thankyou very much for your time, sincerely , Jessica and Joe Klein
