The Final Environmental Impact Report/Response to Comments (FEIR) for this project is available on the City's website at: <https://www.laquintaca.gov/our-city/city-departments/design-and-development/planning-division/planning-projects/travertine>. The FEIR is also available for review at City Hall and at the Library, during their normal business hours.

The FEIR includes your verbatim comments and responses to same. Your correspondence and those of other agencies/parties are included in Chapter 2. Revisions to the EIR are included in Chapter 3, and the Mitigation Monitoring and Reporting Program is provided in Chapter 4.

A Public Hearing by the La Quinta City Council on this matter is scheduled for 5:00 PM, or shortly after, on August 6, 2024 in the City Council Chambers at City Hall, 78-495 Calle Tampico, La Quinta, CA 92253. The proposed project and Draft/Final EIR, will be considered at that time. You may submit additional comments in writing to the City Council by mail, by email at [Planning@laquintaca.org](mailto:Planning@laquintaca.org) or in person at the hearing.

The City Council will consider the project and may approve or deny, or continue the project to another date. If you have any questions, please contact Cheri Flores, Planning Manager, [cflores@laquintaca.gov](mailto:cflores@laquintaca.gov).
