26

Questions?

27

28

City Council Meeting November 2, 2021

B3 – SB 1383 Ordinance Short-Lived Climate Pollutants

29

Background – Senate Bill 1383

- Enrolled in 2016 to reduce statewide methane emissions
- Reduce statewide organic waste disposal in landfills by 75% by 2025
- Increase statewide edible food recovery by 20% by 2025

30

City Ordinance

- State mandates local jurisdictions to pass enforcement ordinance by January 1, 2022
- Requires citywide organic collection
- Requires commercial edible food generators to arrange for edible food recovery

31

Implementation Plan

- Multi-phased approach to assist all participants with compliance
- Education collaboration with Burrtec and local agencies
- Continue to work closely with businesses and residents
