Short-Term Vacation Rental Permit Fees Background

- On recurring basis, staff reviews existing user fees and rates as a basis for recovering allowable costs for certain City services
- The last comprehensive study of STVR permit fees was completed in 2020-2021
- In 2021 the management & oversight of the STVR program was transferred from the Design & Development Department to the Clerk's Office
- New "multi-unit lock-off" STVR permit subtype

11

Multi-Unit Lock-Off STVR Unit Definition

"Multi-unit lock-off STVR unit" means a specific type of construction of a single-family detached dwelling or multi-family attached unit(s) dwelling, which construction is designed to allow sections of such dwelling to be locked-off and separated into individual stand-alone units and meets one (1) or more of the exemptions set forth in Section 3.25.055. A multi-unit STVR unit is a sub-type of short-term vacation rental unit and shall be subject to a general short-term vacation rental permit, primary residence short-term vacation rental permit, or homeshare short-term vacation rental permit, as applicable, pursuant to this chapter.

PH 2 -SPECIFIC PLAN SP2022-0004 (SP2002-062, AMENDMENT 3)
TENTATIVE TRACT MAP 2022-0003(TT 38604)
SITE DEVELOPMENT PERMIT 2022-0015

19

Background

- The Jefferson Square Specific Plan was originally approved in 2004 for the entire 10± acre site.
- In 2009, the existing shopping center was constructed on the north half of the site.
- The current proposal activates the Mixed Use Overlay.
- Project would build out the south half of the site.

20

Background

- The Specific Plan Amendment would allow either commercial or multi-family residential development on the southern 5 acres.
- The Tentative Tract Map subdivides the southern 5 acres into 3 lots.
- The Site Development Permit would allow the development of 71 apartments and 18 townhouses on the southern 5 acres.

21

Vicinity Map

22

Specific Plan Amendment

- Makes no changes to north half (PA 1) and allows either commercial or multi-family residential on south half (PA 2).
- Allows up to 95 multi-family units on south half (19 du/acre).
- Establishes standards and guidelines for residential in PA 2.

23

Specific Plan Amendment

- MU Overlay allows height of up to 43.75'.
- SP changes to HDR standards:
 - 28' height within Image Corridor (22' is limit)
 - Reduced unit sizes:
 - 1 bedroom from 750 SF to 600 SF

24

Specific Plan Amendment

- SP changes to HDR standards:
 - Reduced parking requirements:
 - 1 Bedroom: 1.5 vs. 2.5 per unit
 - 3 Bedroom: 2.5 vs. 3.5 per unit
 - Studio & 2 Bedroom remain at 1.5 and 2.5 per unit, consistent with Zoning Code.

25

Tentative Tract Map

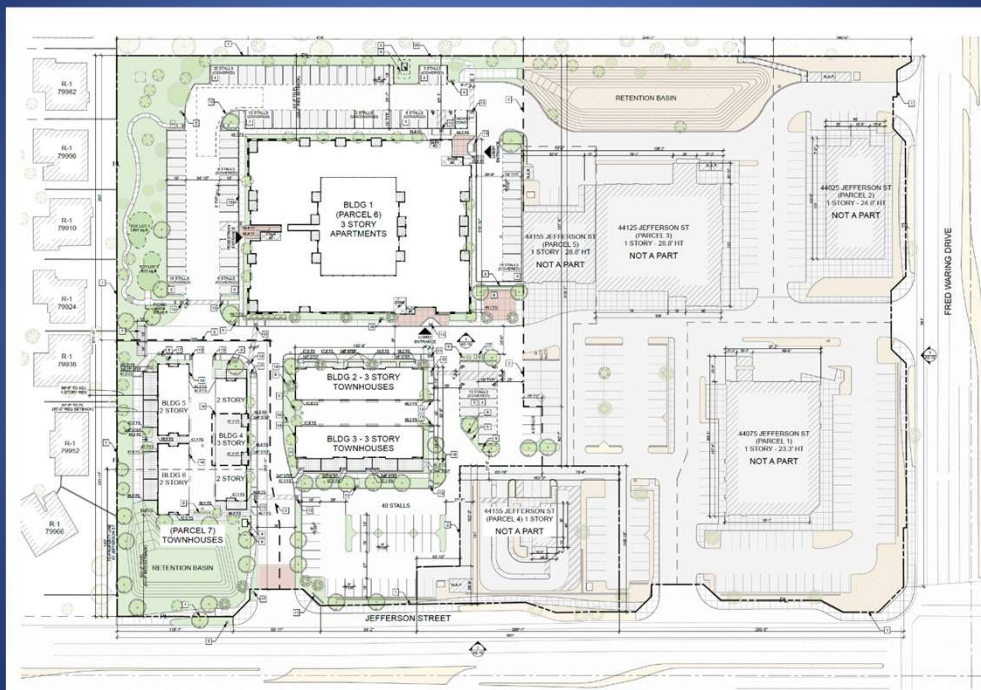

26

Site Development Permit

- Proposes 89 multi-family units at a density of 17.5/acre.
 - 71 apartments in one building on the west half of the site.
 - Three stories, 1 and 2 bedroom units.
 - Central recreation courtyard.
 - Gym, coworking space, lobby/mail area.
 - 35 feet to parapet, maximum height 43'9".
 - 136 parking spaces required per SP; 93 located around building.

27

Our Vision: Jefferson Square Reimagined

- Transform Jefferson Square into a thriving "horizontal" mixed-use community.
- Create a synergistic relationship between existing retail and the proposed residences.
- Provide alternative housing for teachers, trades people, healthcare workers, recent college grads, young families and seniors.
- Build a pedestrian friendly, walkable community that will stand the test of time.
- Demystify mixed use development.

IV. DEVELOPMENT REGULATIONS

The development regulations contained herein provide specific standards relative to permitted land uses in addition to site design and construction regulations to be applied within the Specific Plan area. They are intended to protect the public health, safety and welfare and to create a harmonious relationship with surrounding land. In general, this Specific Plan is consistent with the CN Zone of the City of La Quinta Zoning Code unless a different standard is identified below. The proposed land uses are consistent with the NC land use designation in the City's General Plan. Should a development standard contained in this Specific Plan conflict with an equivalent standard contained in the City of La Quinta Zoning Code, the provisions of the Specific Plan shall take precedence. In instances where the Specific Plan does not address a particular regulation, the applicable portion of the City of La Quinta Zoning Code shall govern. The Community Development Director shall have the authority to approve minor adjustments during development permit review, so long as he determines such adjustments are consistent with the Specific Plan Land Use Plan.

A. PRINCIPAL USES PERMITTED

This Specific Plan shall allow all uses identified as Permitted as a principal use, Permitted as an accessory to the principal use, Permitted as a principal or accessory use if a Conditional Use Permit is approved, Permitted if a minor use permit is approved, and Permitted as a temporary use as identified in and subject to the provisions of the Neighborhood Commercial (CN) Zoning District described in Section 9.80.040 of the La Quinta Zoning Code.

B. PROPERTY DEVELOPMENT STANDARDS

- Maximum structure height: 35 feet (2)

66

City Council Meeting November 19, 2024

PH3 – ZOA 2024-0001 Zoning Code Updates

67

Background

- Staff periodically reviews the municipal zoning code and proposes amendments to update or clarify standards.
- Update Accessory Dwelling Unit (ADU) regulations to meet State housing law
- Staff also reviews for opportunities for development code streamlining, design flexibility, and Code Clean-ups

68

Accessory Dwelling Unit (ADU)

- Changes are being made to comply with changes in State law.
 - Clarification of definition and references to State Code sections.
 - Explicitly requires owner-occupancy for houses that contain a Junior ADU.
 - Allows for the sale of an ADU separate from the home under very specific circumstances:
 - Must be associated with a non-profit organization.
 - Both the primary house and the ADU must be restricted to low income household owners for 45 years.

69

Temporary Use Permits

- TUP's are required for various temporary uses allowed in the Code and have time limits set according to the particular use
- The proposed additions would give a maximum time limit of 18 months to TUPs that do not fall under those sections
- One time extension of 12 months would be allowed

<i>Temporary Uses</i>
Christmas tree sales, subject to Section 9.100.080
Halloween pumpkin sales, subject to Section 9.100.080
Stands selling fresh produce in season, subject to Section 9.100.090
Sidewalk sales, subject to Section 9.100.120
Temporary outdoor events, subject to Section 9.100.130
Use of relocatable building, subject to Section 9.100.180

70

Clarification of Village Parking Allowances

- Simplifies Village Build Out Area 50% parking reduction allowance.
- Residential projects must include at least one on-site parking space
- Mixed use parking reduction allowances will not apply to Village Build Out area.

71

Vinyl Fencing

- Recommend allowing vinyl fencing in the front yard area to allow for flexibility in affordable materials.
- Materials to be approved by the Design and Development Director

72

Bed and Breakfast Inns

- Ends redundant process
- Short Term Vacation Rental Permits can be issued for Homeshares which require an owner reside at the residence during the temporary occupants stay
- Key distinctions:
 - Maximum size /number of temporary occupants
 - Permit Term

73

Clean-up Items

- Garage Setbacks
- Conditional Use Permits
- Public Hearings for Tentative Maps

74

Residential Special Events

- Governed by 9.060.170
- Characteristics of Special Event
- Permit Tier Levels
- Staff Review and Decision

75

Concerns

- Poor management of event
 - Attendance exceeds approval
 - Not enough resources provided to manage event
 - Parking/traffic disruptions
 - Amplified music beyond approved operation time
- Late special event application submittals

76

Proposed Changes

- Eliminate tiers and process individually
- Require finding made that a parking plan demonstrates sufficient parking is available for anticipated attendance
 - Evaluate parking impacts on surrounding neighborhood and impose conditions

77

Proposed Changes

- Eliminate requirement for special event approval for STVR properties exceeding the total daytime number of occupants
 - Let criteria for residences apply
- Establish administrative fines
- Impose two-strikes policy

78

CEQA

- The project is exempt from environmental review pursuant to Section 15061 (b)(3) of CEQA, common sense exemption, in that it can be seen that the project would not cause any adverse impacts of the environment.

S1 – Sphere Of Influence

81

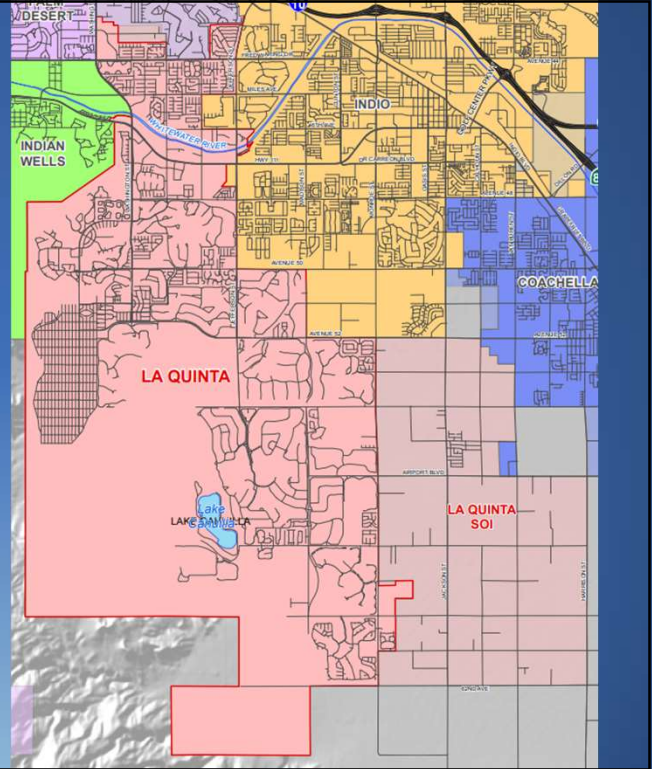

Background

- On August 2, 2022, Council reviewed the status of the City's Sphere of Influence (SOI), and directed Staff to:
 - Prepare a Fiscal Impact Analysis to consider the financial costs and revenues associated with the annexation of the existing SOI
 - Consider potential additional lands for an extension of the SOI
- On April 4, 2023, Council reviewed the Fiscal Impact Analysis
- On March 19, 2024, Council further discussed Fiscal Impacts
 - Staff survey of the existing conditions of public improvements in the existing SOI area

82

Southern SOI

- 7,665 acres
- East of Monroe, south of Avenue 52, north of Avenue 62, and west of Van Buren and Harrison
- Part of the Vista Santa Rosa Community of Interest
- Included in General Plan and Zoning maps

83

Public Outreach

- Post card mailed to property owners, tribal governments, and registered voters within the Southern SOI boundaries
- Staff Presentation and Announcements at the Vista Santa Rosa Community Council
- An email to La Quinta-based HOA's located adjacent to the Southern SOI

- City developed the Agricultural/Equestrian Overlay after the approval of the General Plan.
 - Its basis is the County's Zoning Ordinance
 - Broadens City's permitted uses
- Low Density Residential with the Overlay was applied to all residential lands in the Sphere.
- In addition to Permitted Uses and Development Standards, Overlay includes a Right to Farm Policy.

City v. Owner Annexation

- LAFCo allows two types of annexations:
 - City-sponsored
 - Land owner/developer-sponsored

98

City v. Owner Annexation

- City-sponsored:
 - City selects lands to be annexed – all or a portion of the Sphere
 - Processed through LAFCo
 - If LAFCo Board approves, protest hearing follows.
 - Protest hearing required if the land is inhabited.
 - Simple majority vote of land owners and registered voters who participate decide the outcome.
