

La Quinta Your Chance to Go Green

Going Green Community Workshop

La Quinta City Hall

Thursday, December 4, 2008

Drop in anytime between 4:00 p.m. and 8:00 p.m.

(Free of Charge)

"Green" has gone global, so how can you bring it to the epicenter of your world? The City of La Quinta, along with its local energy and conservation partners, are sponsoring a special event to help bring "green" into your life.

Don't Miss the Opportunity to:

- Discover how "going green" can save you money
- Meet representatives from the electric, water, and trash/recycling companies as well as The Gas Company
- Make a voluntary pledge to help conserve resources
- Take advantage of discounts on energy and water saving products

Learn from Community Energy & Conservation Partners:

CVWD – CONSERVE WATER

Weather-Based Irrigation Controller

- Ensure efficient irrigation and avoid over-watering
- Install an irrigation device ("smart controller")
- Purchase irrigation device for a reduced rate

Landscape Water Management Program

- Replace lawn and water-consuming plants with beautiful native and drought-tolerant plants
- Get assistance with design, conversion, and cost

Imperial Irrigation District

Protecting the flow of progress.

IID – SAVE ENERGY

Inspector Energy Program – Have your home or business inspected and get advice for improving energy use

Energy Star Rebates – Receive rebates on energy efficient ENERGY STAR products

SwingShift Program – Receive incentives for curtailing energy use during peak demand times; sign up, save energy and enjoy benefits!

Energy Efficiency for Businesses –

Learn about the numerous programs to improve your bottom line and help protect our environment

BURRTEC – RECYCLE SMART

Learn about:

- What can and can't be recycled in your household and yard
- The Sharps program and how to safely dispose of needles, syringes, and other sharp devices
- Free recycling for businesses
- Coordinating recycling at large venues and special events
- Recycling construction/demolition projects and debris diversion

Come away with:

Tips to "Green" Your Life!

- Tips to save fuel
- Disposing of batteries, light bulbs, and electronics safely
- Fun enviro-facts
- Ways to save money and be kind to the environment

For more information on this event, please call (760) 777-7120.
